Lesson 5 Expressing Time —Cram School—

【English】

Kaoru : Megumi, have you signed up for the upcoming nationwide exam?

Megumi : Yeah.

Kaoru : Do you remember if it's going to be over in the morning?

Megumi : No. I think it's from ten to after three in the afternoon.

Kaoru : Darn!

Megumi : Is there anything wrong?

Kaoru : I thought it was only in the morning,

Kaoru : so I scheduled something for the afternoon.

Megumi : Can't you change it?

Kaoru : Band practice. We booked the studio from two to four.

Megumi : Oh... what are you going to do?

Kaoru : Oh well.

Kaoru : I'll take them out somewhere and ask them to forgive me.

Megumi : Orihara, you're different.

Megumi : Guys who are in a band

Megumi : usually don't go to cram school.

Kaoru : Well, my goal is to be a smart rocker.

Kaoru : Oh, we have a concert coming up, come see us.

Megumi : OK.
