Lesson 7 Discussing Interests -Friend's Room-

【English】

Kaoru : About the concert I mentioned the other day...

Megumi : Yes, I'm coming! When is it?

Kaoru : This Saturday.

Megumi : Saturday. Good, I can make it on Saturday.

Megumi : What kind of music do you play?

Kaoru : Original songs. Something like the Beatles, I guess you could say.

Megumi : Really? That doesn't seem like you.

Kaoru : You don't like that music?

Megumi : Yes, I do. Why?

Kaoru : Well, Megumi, because you've always played piano.

Megumi : I play classical music, but I listen to all kinds.

Megumi : I like Orange Range and Rip Slyme.

Kaoru : Really? Your tastes are wider than I thought.

Kaoru : Do you also listen to punk?

Megumi : Well, I don't really like punk.

Megumi : Say, Orihara, what instrument do you play?

Kaoru : Guess!

Megumi : Bass guitar?

Kaoru : Bzzz.

Megumi : What is it?

Kaoru : The answer is...

Megumi : Really? Drums?

Kaoru : Yeah.

Megumi : That's so not you.

Kaoru : Well then, let me change your mind!

Make sure you're there.

Megumi : OK.
