Megumi : Oh! A dagashi candy shop.

Kaoru : Wow, it's still here. I came to this shop a lot when I was little.

Megumi : Is that so?

Kaoru : Hey! This candy! You pull a string to get the big candy.

Kaoru : Maybe I should try...

Megumi : What? Are you going to try it?

Kaoru : Excuse me. One of these, please.

Clerk : Sure. That's ten yen for a try.

Kaoru : This one?

Megumi : Wait. This one might be better, don't you think?

Kaoru : All right! Well, here we go.

Kaoru : We got it! You really knew which one it was.

Clerk : Congratulations. You won the big prize. Here you are.
