Saki : Hey, this is cute.

Kenta : So, you like stuff like that.

Saki : What's wrong with that?

Kenta : It's just not you.

Saki : Who cares. You're not buying anything?

Kenta : I've been to Kyoto many times.

Saki : Then it must be boring for you.

Kenta : No, it's also fun coming with everyone.

Friends : Saki, we're leaving!

Saki : Ah... wait up!

Kenta : Excuse me. I'll take this, please.
