Lesson 22 Explaining Problems -Trouble-

【English】

Saki : Excuse me.

Officer : Yes.

Saki : Um... I've lost my purse. And I'm wondering if anyone has turned it in.

Officer : Where did you lose it?

Saki : I think it was probably in front of the station.

Officer : What does it look like?

Saki : About this big, red, and it only has coins in it.

Officer : Oh. Is this it?

Saki : Ah! That's it!

Megumi : It's a good thing you found it.

Megumi : But, I don't remember you having a purse like that...

Saki : Ah, yeah. Someone gave it to me.
