Clerk : Enjoy the movie.

Saki's Mother : We haven't been to a movie together in a long time, have we?

Saki : What are you talking about?

Saki : I came with you just a while ago. That love story.

Saki's Mother : Did we?

Saki, Megumi : Oh!

Saki : I'm jealous! I'm just here with my mom...

Saki : Tell me all about it later! Let's go.

Megumi : What should I do?

Kaoru : Is it so bad?

Megumi : It's not that... I just wasn't prepared.

Kaoru : It's OK. Come on, let's hurry up and go get something to drink.

Kaoru : Don't worry.
