Lesson 3 Indicating Things—Home—

【English】

Erin : I'm home!

Mother : Welcome back. How did school go?

Erin : It was a lot of fun.

Mother : Great. Well, let me hear all about it at dinner.

Mother : We're having tempura today.

Erin : That looks delicious...

Mother : Would you help me after you wash your hands?

Erin : Sure.

Mother : Well, then... Erin, would you take care of the chopsticks?

Erin : What do I do with these?

Mother : Put them at everyone's places.

Mother : Father is over there, you're over there, and I'm over there.

Mother : Oh, no! Darn! I deep-fried it too long.
