Lesson 5 Expressing Time -Cram School-

【English】

Saki : Oh, I'm tired! Do you want to stop in somewhere?

Megumi : Sorry. I have cram school at six today.

Erin : Cram school?

Saki : Don't you know? That's where you study.

Erin : You're going to study again?

Megumi : Yeah. Until eight o'clock.

Erin : From six to eight? That sounds tough.

Megumi : Perhaps. Well, I'm going this way.

Saki : OK. I'll e-mail you later.

Erin : See you tomorrow.

Megumi : Bye bye.

Saki : Ahhh...

Saki : I wonder if my parents will also tell me to go to cram school.

Erin : You don't want to?

Saki : School is enough as far as studying goes.

Saki : Oh I forgot, you came to Japan to study.

Erin : That's right.

Saki : Amazing.
