Lesson 11 Describing Order of Events -Hot Springs-

【English】

Father : Hey, this is really nice.

Mother : It sure is.

Mother : Erin, why don't we go to the hot springs before dinner?

Erin : Take a bath before dinner?

Mother : That's right. Take a bath, have dinner,

Mother : take another bath, then go to bed.

Erin : We'll take two baths?

Father : You're going in tomorrow morning again, aren't you?

Mother : Of course.

Erin : What? In the morning, too?

Mother : That's what hot springs are for.

Mother : Come on. Let's change into yukata and get going.

Mother : This feels good. How is it, Erin? The outdoor bath?

Erin : Yes. It feels really good.
