

【English】

School Nurse : What happened?

Saki : She fell.

School Nurse : Have a seat. Where does it hurt?

Erin : It hurts here.

School Nurse : Let me move it a little. How about this?

Erin : That doesn't hurt very much.

School Nurse : And this?

Erin : !!!

School Nurse : I see... it seems you've twisted your ankle.

School Nurse : For now let's put a compress on and see if it gets better.

Erin : OK.

Saki : Ah, excuse me!

Saki : Me too, I have a headache... can I rest for a while?

School Nurse : No. You just want to get out of PE, don't you? Hurry up and get back to class.

Saki : All right.
