Erin : Excuse me!

Saki : Yes! Oh, what are you doing here?

Megumi : We just came to see how you are doing.

Megumi : So, why did you suddenly decide to get a part-time job?

Saki : Why not?

Erin : Did you start because there's something you want to buy?

Saki : Yeah, well, sort of.

Megumi : But didn't you say

Megumi : you'd never work part-time because it would be such a bother?

Saki : Oh... good morning!

Coworker : Morning!

Erin, Megumi : Ah hah!
