Teacher : As everyone knows,

Teacher : today is Erin's last day in this class.

Teacher : Erin! Would you like to say something to the class?

Erin : Everyone, thank you for everything these past six months.

Erin : At first I was pretty nervous,

Erin : but everyone was so kind that it became a really fun time for me.

Erin : Studying... the school trip, and the school festival.

Erin : I have so many memories now.

Erin : I will never ever forget these past six months.

Erin : So... everyone, don't forget me.

Saki : How could we! Right?

Students : (Sure.) (Do your best.) (Of course.) (Yes.)

Students : (We won't forget.) (Cheer up.) (Do your best.)

Erin : I'm looking forward to seeing you all again.

Erin : So until then, for just a little while, this is "goodbye".
